KEYNOTE SPEAKER

DANIEL LUBETZKY

Best known as the founder of KIND Snacks, Daniel Lubetzky is a social entrepreneur focused on empowering people to work across divides to solve our toughest problems together. The son of a Holocaust survivor, Daniel is committed to trying to prevent what happened to his father from happening again.

Daniel is known for launching KIND from one outside-the-box idea into a multibillion-dollar global business committed to making the world a little kinder. With Camino Partners, Daniel and his team of investor-operators now partner with entrepreneurs to build growth-stage businesses driven by shared values.

Daniel's foray into food was the unexpected outcome of his work to use business to bring neighbors in Middle Eastern conflict regions together. With the OneVoice Movement, he has helped build the largest grassroots movement of Israelis and Palestinians committed to forging a future in which both peoples can live with security, freedom, and dignity. Daniel is also a founder of Builders, a global initiative to replace "us vs. them" with a movement of flexible thinkers and constructive problem-solvers. The organization works across media, civics, and education to equip people to overcome extremist ideologies and work together on solutions.

Daniel's perspectives are shared regularly in TED, *Newsweek*, *Fortune*, CNN, *TIME*, and other news platforms. He is a five-time recurring Shark on ABC's series "Shark Tank" and the author of *The New York Times* bestseller *Do the KIND Thing*.

Daniel has received The King Center's Beloved Community Award, the Ellis Island Medal of Honor, Columbia Business School's Botwinick Prize in Business Ethics, Carnegie Corporation's Great Immigrants Award, and The Muhammad Ali Humanitarian Award for Civility and Compassion. Daniel was named a Presidential Ambassador for Global Entrepreneurship by President Obama.

Daniel holds a B.A. in Economics and International Relations from Trinity University and a J.D. from Stanford Law School. He is a proud U.S. citizen who emigrated from Mexico at age sixteen. He enjoys spending time with his family and practicing magic.

HAIL TO CALIFORNIA

Hail to California,

Alma Mater dear;

Sing the joyful chorus,

Sound it far and near.

Rallying round her banner,

We will never fail;

California, Alma Mater,

Hail! Hail! Hail!

Hail to California,

Queen in whom we're blest;

Spreading light and goodness

Over all the West.

Fighting 'neath her standard,

We shall sure prevail;

California, Alma Mater,

Hail! Hail! Hail!

The Cal alma mater was written by Clinton R. "Brick" Morse, Class of 1896.

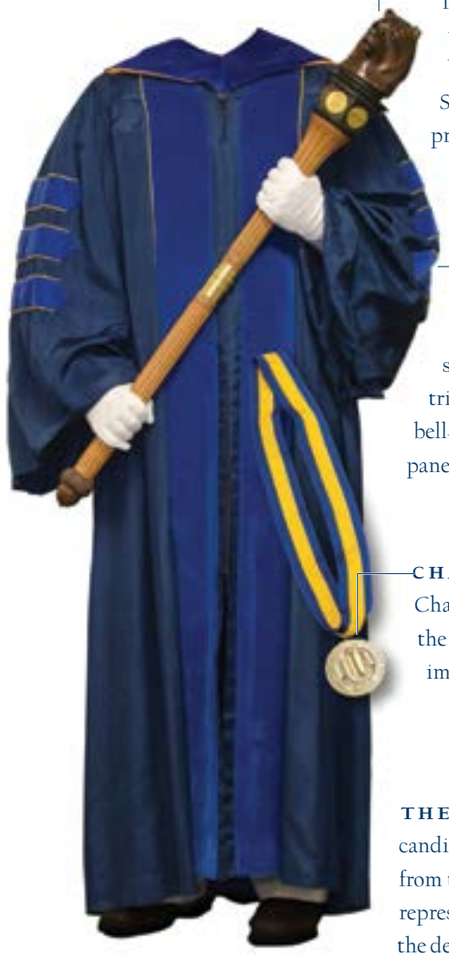
REGALIA

Here's a quick primer for decoding all of the academic regalia you'll see today.

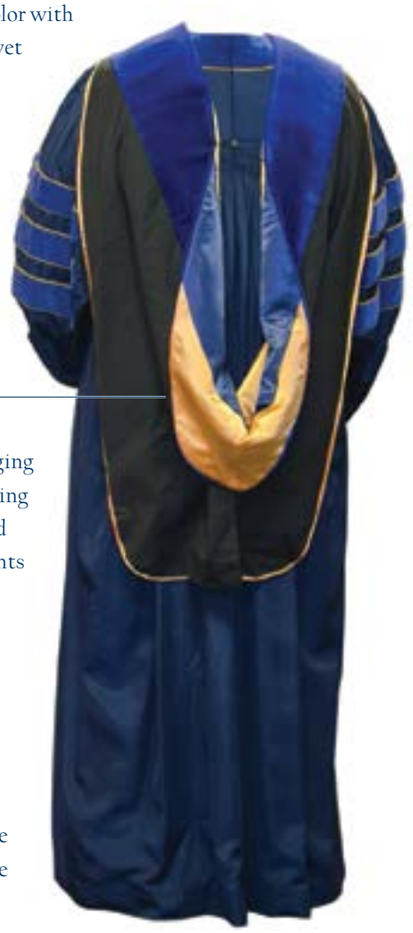
THE CAP · Doctoral candidates wear velvet tams while bachelor's and master's candidates wear black mortar boards. All wear a single tassel.



THE MACE · The executive vice chancellor and provost leads the faculty procession and carries the ceremonial Berkeley mace, a tall staff that symbolizes UC Berkeley's authority to confer degrees. It is topped by a bear's head carved out of wood salvaged during a renovation of South Hall, the oldest building on Berkeley's campus, built in 1873. The provost also places the mace on the podium during the ceremony.

THE GOWN · Bachelor's candidates wear a traditional black gown with long, pointed sleeves. Master's candidates wear a long black gown with oblong sleeves that are arched at the wrist and square cut at the bottom. Doctoral candidates wear a long, velvet-trimmed gown in black or another color with bell-shaped sleeves that have three velvet panels or chevrons on each arm.

CHANCELLOR'S MEDAL · Chancellor Richard K. Lyons wears the Chancellor's Medal, which is imprinted with the university seal.



THE HOOD · Master's and doctoral candidates wear velvet-lined hoods hanging from the back. The color of the hood's lining represents the institution that conferred the degree, while the velvet trim represents the field of study.

UC BERKELEY COLORS · UC Berkeley regalia is designed in the official University of California colors established by students in 1873. Berkeley Blue ■ symbolizes the ocean and local wildflowers. It is based on Yale Blue, since Yale University graduates were among the university's founders and early leaders. California Gold ■ was selected to represent the mining heritage of the "Golden State" of California and our state flower, the golden poppy.
